G. ADMINISTRATIVE REPORTS

Mayor Haskins gave a report on the following:

- We will be keeping the families of Floyd Switzer and Deb Walton in our prayers.
- The new Christmas decorations are in the back of the room tonight and is on the agenda for approval.
- The Fire Department is having a Fire Prevention Event on Saturday, October 9, 2021 from 10AM-2PM at Fire Stations 1, 2 & 3.
- Trick or Treat Trail is scheduled for Saturday, October 23, 2021 at Bentley from 12PM-3PM. We are looking for vendors and participants to pass out candy. Please contact the Parks & Rec Director for details.
- Road projects are finishing up. The cones will be removed within the next week.
- Assistant Fire Chief Vogt has moved on as the Fire Chief of Lapeer. Congratulations Chief, you were an asset to our city.
- The new Assistant Fire Chief will be Greg Pray, congratulations.
- The water tower project is still progressing on time. This may affect water pressure or cause discoloration. There is no need to boil the water.
- A water letter went out recently. This was a procedural thing by EGLE. A treatment was done in February of 2020 to reduce the corrosion on our pipes. EGLE wrote the letter and mandated we send it out. This is great for transparency but the timing of it caused confusion because the treatment was over a year ago. All of our tests have been fine.
- We are waiting to hear back from the insurance company to find out what is covered for the flood issue at City Hall. We will keep you updated.
- Ryan Bertram, our new IT Director started today. He planned to be here tonight to introduce himself however; he is currently working the camera system for this meeting due to the resignation of his assistant today.
- Police Department updates: Contrary to claims on social media, it was not a Burton Police Officer who ran a vehicle into the old Palace Gardens. The bank robbery suspect was apprehended within 24 hours. Body cameras and in-car cameras should be up and running by next week. Speed trailers can be requested by residents by calling 810-742-2542. Monday, October 11, 2021 in the newly renovated training room will be the Neighborhood Watch meeting at 6:00PM. There was a homicide in Burton recently. It was an isolated incident and both suspects have been arrested and lodged in the Genesee County Jail.
- State Representative Sneller informed me the budget has been approved and we are finally being reimbursed for the \$1 million for the Cheyenne/Menominee project.
- The audit will be wrapping up soon and we will have our audit meeting in a couple weeks.
- The DPW gas tanks will be completed within the next two weeks. The Police Department tanks will take longer due to insurance involvement.

Mr. Martinbianco asked for clarification on the water quality issue. If we are using county water, why do we have a problem with EGLE?

Mr. Abbey stated the problem is that we were not notified by the lab. It is more of a technical procedural problem. It is not a problem with the water quality.

Discussion continued regarding water and wells.

H. COMMITTEE REPORTS

None.

I. AUDIENCE PARTICIPATION

None.

J. COUNCIL DISCUSSION

Mr. Smith gave accolades to the administration and Lyndsey in the Mayor's Office for using the digital sign in front of City Hall. City events, meetings and elections are being posted. Thank you to the council for having the foresight to purchase the sign. It is difficult to reach our residents and using the sign is one way to do that. The deadline to register for Project Heats On is this Friday, October 8, 2021. If you know anyone in need, please spread the word.

Mrs. Conley stated the Christmas decorations look wonderful. They are going to look great on Saginaw Street. Have we fixed the issues with the electricity on the poles on Saginaw Street?

Mayor Haskins stated we are looking into getting them fixed and hope to have that corrected in time to hang the new decorations for Christmas this year.

K. COUNCIL ACTION

1. Approve and authorize the payment of Attorney Billing (Doyle) 9/15/21 to 9/28/21 in the amount of \$5,907.00.

Mr. Martinbianco thanked Attorney Joliat for being here tonight.

Mr. Wells inquired about the cost for sump pump tickets.

Mr. Abbey stated it is not a set number. Repeat offenders have a higher fine. The idea is to get compliance.

Attorney Joliat stated the judge has a standard fine. I can find out.

Mrs. Conley stated I received a ticket.

Mr. Heffner asked, they didn't take your word for it?

Mr. Abbey stated being a council person doesn't make you exempt. This has been going on for many years and is part of the I & I reduction through EGLE and the Genesee County Drain Office. They have to go in and see that there is not an illegal connection.

Discussion continued regarding inspections, entering homes, placing chemicals in the manholes as an alternative and illegal connections.

Mr. Abbey stated this is a state mandate to reduce I & I. It reduces the treatment costs because we are treating grey water for those who are connected illegally into the sanitary sewer.

D. APPROVAL OF AGENDA

Mr. Martinbianco would like to remove item #7 from the agenda.

1. Motion to remove item #7 from the agenda.

Mr. Smith stated I spoke with Mr. Abbey last week and he explained to me that according to the MERS by-laws, I am not eligible to be a delegate because I am not a member of MERS. I have no problem serving in this capacity but I want to follow the by-laws. Anyone on the council can go to the meeting but, we are not in MERS so we cannot vote. He asked for the City Attorney's opinion.

Mr. Wells called point of order. Has anyone supported Mr. Martinibanco's motion?

Mr. Heffner said, no.

Mr. Wells offered support to continue the discussion.

Mrs. Conley stated she wants to know why this wasn't brought up when we voted on it at the last meeting. I think Mr. Abbey voting is a conflict of interest because there are three Abbey's in MERS. I don't know who Jack Spillane is. How can I vote for someone I don't know?

Mr. Martinbianco expressed his disagreement to MERS not allowing the Legislative body to have a place at the table.

Minutes Acceptance: Minutes of Sep 20, 2021 7:00 PM (APPROVAL OF MINUTES)

Mr. Heffner stated if we vote this down, we will not have voting representation at the conference. We will only have representatives there to bring information back.

Attorney Doyle referenced section 78 of the annual meeting (MCL 38.1545) subsection 2 that was provided in the agenda back up material. A delegate has to be a member of the MERS system. Council nominates one delegate and the employees nominate the other.

Mr. Wells stated I don't remember doing this before. I read the MERS by-laws. What defines an officer of the city? MERS should have been here tonight to explain this to us.

Discussion continued regarding MERS by-laws, practices and deadline for making changes to delegates.

Motion by Mr. Martinbianco to call the question. No support.

G. ADMINISTRATIVE REPORTS

Mayor Haskins provided the following updates:

- The water tower painting project at Fire Station 1 will begin later this week for about four weeks. Water pressure could be impacted in that area.
- Center Road and Grand Traverse Road projects should be finished next week, weather permitting.
- There is a new scam involving a phone call asking people to provide drugs or apple cards in exchange for a hook-up. We have had two instances in Burton where someone came to residents homes. If this happens or someone you don't know comes to your door, call 911.
- Trick-or-Treat Trail is scheduled for Saturday, October 23rd 12PM-3PM at Bentley High School. We are looking for vendors and sponsors. More information is on our website.
- Project Heats On is also on Saturday, October 23rd. Applications are at City Hall and on our website.
- There was a robbery today at Chase Bank on Belsay Road. It is an ongoing investigation.
- Attorney Leadford is here requesting a closed session for contract negotiation strategy.
- Our speed radar trailers have arrived and are ready to be used. Residents can call 810-742-2542 to request to have one placed in your area.
- City Hall flooding issue is still ongoing. The best solution seems to be to reroute our roof drains away from the damaged tiles. I will provide more updates as I receive information.
- I ask that we keep County Commissioner Ellen Ellenburg and her family in our prayers for her husband's speedy recovery.
- The MERS delegate was placed on the agenda at the last meeting and when you changed the voting delegate, we notified MERS of the change and that is when they told us that delegates must be members. This is a mandate by The Municipal Employees Retirement Act of 1984 and a Michigan law. We put this information in your council packet for tonight's meeting to help explain that to you. There was no malicious intent. Removing this item from the agenda takes away our rights to vote at the MERS Conference.

Mr. Heffner asked for an update on local road projects.

Mayor Haskins stated residents can turn in petitions to the council. Council then decides whether or not to approve the 50/50 special assessment. There is no resolution needed because it is dictated by ordinance. You act on a case by case basis. No prior action is needed.

Attorney Doyle concurred with the Mayor. Special assessments are a statute which is bigger than an ordinance. There is a law we have to follow. Roads have their own act that we adopted via the ordinance. There is no resolution needed. A notice to the residents that the 50/50 match is available and the motion you made at the special meeting is the only thing that is needed. Once a decision is made by the residents to

take advantage of this, then there are certain steps such as petitions and engineering. After that, the council will decide whether or not to contribute to the project.

Discussion ensued regarding MERS Conference dates and MERS by-laws.

Mr. Wells asked if the City Hall flooding is covered by our insurance and what the cost will be.

Mayor Haskins stated it took some time to figure out what the issues were and how to fix them. We should know more about insurance and cost in a couple weeks. I will keep you updated.

1. Motion to go into closed session after audience participation under section 8C of the Open Meetings Act for the purpose of contract negotiations

RESULT:	CARRIED [UNANIMOUS]
MOVER:	Tom Martinbianco, Councilman
SECONDER:	Danny Wells, Councilman
AYES:	Martinbianco, Heffner, Wells, Smith, Fenner, Walton, Conley

H. COMMITTEE REPORTS

Mr. Smith provided an update from the Planning Commission that Walker Farms will be building 215 condominiums on their property at Vassar and Atherton Roads. They would like us to put 1,700 feet of water lines in that area so they can connect to city water. The developer will be responsible for the additional infrastructure.

Mayor Haskins stated the main water line stops at Belsay and Atherton. They want the water line to continue down to the subdivision so they do not have to put wells in. The approximate cost is \$120,000-\$130,000 to run the main water trunk 1,700 feet down Atherton Road. I made it clear that the council would likely not get behind a special assessment inside the subdivision. This will benefit other subdivisions in the area and it will add an additional 200 water customers to the water system.

Mr. Fenner provided information from the 911 Consortium and DDA meetings. A vote was taken and passed at the September 14th 911 meeting to allow municipality's to sign service agreements with ambulance companies although, 911 stated they will not follow these contracts and will continue to dispatch the closest available ambulance. I don't know what that means for us.

Mrs. Conley announced the book sale at the library on September 25th from 10AM-4PM.

I. AUDIENCE PARTICIPATION

Cheryl Ross of Lapeer Road in Burton thanked the council for the demolition at 6076 Lapeer Road. She expressed concerns regarding the entire property being cleaned up properly when it is complete.

Nate Henry of Don Shenk Drive in Swartz Creek introduced himself as the new City of Burton DDA Member. He thanked the council for the opportunity.

City Council went into closed session at 7:53PM
City Council returned from closed session at 8:24PM

J. COUNCIL DISCUSSION

Minutes Acceptance: Minutes of Sep 20, 2021 7:00 PM (APPROVAL OF MINUTES)

Mr. Wells asked if the administration has received complaints regarding the food truck located on Davison Road. They received something saying they had to stop doing business and feel like they are being harassed.

Mayor Haskins stated we have not heard any complaints from anyone. If there were specific parameters set forth when the food truck was approved, he has to abide by those. If you had told me sooner, I could have checked into it before the meeting.

Mr. Smith provided an update from the Planning Commission regarding the approval of the food truck.

Discussion continued regarding stipulations set forth at the Planning Commission for the food truck on Davison Road including parking, traffic cones, tents, trash, use of a generator and approved time frame.

Mr. Smith stated he would like to make a motion to reconsider the removal of Agenda item #7.

1. Motion to reconsider the removal of Agenda item #7 to Approve and authorize Charles Abbey, Human Resources Director as the City of Burton MERS Conference Delegate and Jack Spillane as the City of Burton MERS Conference Alternate in accordance with section 78 (2) of the MERS Plan Document.

SECONDER: Tom Martinbianco, Councilman
AYES: Martinbianco, Heffner, Wells, Smith, Fenner, Walton, Conley

3. Approve and authorize the acceptance of the low bid and allow the Mayor and Clerk to enter into a contract, contingent upon the submittal and approval of the required bonds and insurance documents, on behalf of the City of Burton with Bartman Excavating, 4068 Dowdall St. Flint, MI 48506, in the amount of \$6,860.00 for the demolition of 1454 Carman St.

RESULT: CARRIED [UNANIMOUS]
MOVER: Danny Wells, Councilman
SECONDER: Christina Conley, Councilwoman
AYES: Martinbianco, Heffner, Wells, Smith, Fenner, Walton, Conley

4. Approve and authorize the acceptance of the low bid and allow the Mayor and Clerk to enter into a contract, contingent upon the submittal and approval of the required bonds and insurance documents, on behalf of the City of Burton with Bartman Excavating, 4068 Dowdall St. Flint, MI 48506, in the amount of \$6,860.00 for the demolition of 3155 Hemphill Rd.

RESULT: CARRIED [UNANIMOUS]
MOVER: Gregory Fenner, Vice President
SECONDER: Christina Conley, Councilwoman
AYES: Martinbianco, Heffner, Wells, Smith, Fenner, Walton, Conley

5. Approve and authorize the acceptance of the low bid and allow the Mayor and Clerk to enter into a contract, contingent upon the submittal and approval of the required bonds and insurance documents, on behalf of the City of Burton with Bartman Excavating, 4068 Dowdall St. Flint, MI 48506, in the amount of \$9,740.00 for the demolition of 6076 Lapeer Rd.

Mr. Wells asked for a schedule of when the demolitions will take place.

Mayor Haskins stated we do not have a schedule. Lapeer Road has an injunctive order so it will be delayed until November 1st.

Mr. Martinbianco stated if we pass this tonight and the judge has given them until

November, can we still sign a contract for demolition?

Attorney Doyle stated the contractor has agreed to hold off on this. We will not sign it until November 1, 2021.

RESULT:	CARRIED [UNANIMOUS]
MOVER:	Danny Wells, Councilman
SECONDER:	Deborah K Walton, Councilwoman
AYES:	Martinbianco, Heffner, Wells, Smith, Fenner, Walton, Conley

6. Approve and authorize the acceptance of the Teamsters Collective Bargaining Agreement effective July 1, 2021 through June 30, 2025.

RESULT:	CARRIED [UNANIMOUS]
MOVER:	Danny Wells, Councilman
SECONDER:	Christina Conley, Councilwoman
AYES:	Martinbianco, Heffner, Wells, Smith, Fenner, Walton, Conley

7. Approve and Authorize Charles Abbey, Human Resources Director as the City of Burton MERS Conference Delegate and Jack Spillane as the City of Burton MERS Conference Alternate in accordance with section 78 (2) of the MERS Plan Document.

Mr. Martinbianco stated it is counterproductive that municipalities engaged with MERS do not allow the local unit of government that represents the employees to have a place at the table as a delegate. I will be voting against this. It is a problem with the state law. It is a conflict of interest for council not to be represented.

Mr. Wells stated I will be voting no also. A stipulation from MERS is for a judge to sign off on it. We have never had to do this before. I would like to see the vote result at the end of this.

Mrs. Conley asked if Mr. Smith can still go to the conference.

Mr. Smith stated I will be there. He described the process of voting at the MERS conference.

Mr. Fenner stated I am voting yes for this because I want us to have a vote.

Discussion continued on the MERS and the MERS conference.

Supt. of Engineering and Inspection
City of Burton

Burton, MI 48519

RE: 2022 Local Streets Paving Program
Design and Bidding Phase Engineering Proposal

Dear Mr. Wingblad,

ROWE Professional Services Company is pleased to submit this proposal to provide engineering services to prepare bidding documents to install a new hot mix asphalt surface on the following segments of gravel road:

- Bergin Avenue – Columbine Avenue to Fern Avenue (approximately 700 feet)
- Parkwood Avenue – 2205 Parkwood Avenue to Fern Avenue (approximately 375 feet)
- Scottwood Avenue – Barnes Avenue to Fern Avenue (approximately 1,550 feet)

It is our understanding the project consists of the following:

Hot Mix Asphalt Paving – All main line street areas that are currently gravel will be paved with 3.5 inches of new HMA. Existing paved surfaces adjacent (such as within the adjacent intersections) will be inspected and repaired as directed by the city.

Ditches and Drive Approaches – All existing ditches along the route will be regraded to ensure proper road and yard drainage. All driveway culverts will be replaced. Drive approaches will be repaired in kind as needed to match existing conditions. No work is proposed on the city's adjacent utilities, other than what is necessary to ensure that all ditches have a proper connection to the storm sewer system.

Sidewalks – Existing sidewalk ramps within the project scope area will be removed and replaced to meet current ADA requirements. A new sidewalk will be installed on the north side of Scottwood Avenue across the full extent of this segment of the work. It is anticipated that the sidewalk can be constructed in the available right-of-way with minimal modifications to the ditch design. Development of private property easements are not included in our scope of services.

Mr. Pete Wingblad

 Page 2

SCOPE OF SERVICES

ROWE proposes the following scope of services for your consideration:

1. Request utility (both private and public) information to incorporate into project drawings. Existing topographic data collected in 2006 for these areas will be used as a base. Field work will be completed as needed to update the survey to include features that have changed or been added within the work areas since that time. Additional surface data will be collected along the north right-of-way line of Scottwood Avenue to verify the sidewalk design considers all such features, such as mature trees located on private property.
2. Develop project drawings for bidding. We anticipate the following sheets for this project:
 - Cover Sheet (1)
 - Note/Legend Sheet (1)
 - Alignment Sheet (1)
 - Construction Notes Sheet (1)
 - Detail Sheet (1)
 - Typical Cross-section Sheet (1)
 - Removal Sheets (4)
 - Plan and Profile Sheets (8)
 - Grading Sheets (2)
 - Signing Sheet (1)
 - Traffic Management Sheet (1)
 - Soil Erosion Control Key Sheet (1)
 - Standard Detail Sheets (1)
3. Assist the city in contracting with a geotechnical consultant to obtain subsurface borings to identify soil conditions for use in the design and construction. It is recommended that seven 5-foot-deep borings be obtained within the project limits to verify the depth of the existing gravel surface, and to help the contractor prepare for storm sewer and ditching work.
4. As the design progresses, we will develop an Engineer's opinion of construction costs to verify that the project is still within the anticipated budget. If overruns are identified, we will work with the city to review reductions in scope.
5. Meet with city staff to review 50 percent and 90 percent drafts, obtain feedback and revise the documents accordingly.
6. Notify and coordinate with the designated staff person from the Genesee County Metropolitan Planning Commission (GCMPC) to ensure compliance with the Community Development Block Grant (CDBG) requirements. Conduct a meeting with the GCMPC staff and the city to review the plans and bidding documents prior to obtaining their endorsement of the bidding documents.
7. Other than the GCMPC, we are not aware of any other outside agency permits that will be required for this project. As its own local enforcing agency, we will work with city staff to ensure that the project has the appropriate soil erosion and sedimentation control plan needed to issue an internal permit.
8. Assist the city with preparation of an advertisement for bids for the project, to be published in the local newspaper and to provide to contractor plan rooms. Copies of the bidding documents will be made available for bidders to purchase from ROWE.

Mr. Pete Wingblad
 September 22, 2021
 Page 3

9. Provide notification of the project letting to a specified list of contractors as directed by the GCMPC, in accordance with regular CDBG requirements.
10. Assist the city with the bid opening, prepare bid tabulation, and prepare a letter of recommendation of contractor award to the city.
11. Obtain, review, and coordinate execution of contracts, including bonds and insurance, from the contractor.

COMPENSATION

ROWE proposes to provide these services for a lump sum fee of \$55,300. We will invoice the city monthly based upon the work completed during that billing period. Construction phase services are not included in this proposal; however, we can prepare a separate proposal to provide these services to the city if desired.

SCHEDULE

Per our previous discussions, we will not begin work on this project until after October 1, 2021, in order to meet your budget requirements. Otherwise, we can begin this work within two weeks of your authorization. A first draft of the plans can be completed in December 2021. Final plans will be ready for the city's review in January 2022. Bidding documents will be advertised for bids in either February or March, allowing for construction to start in June of 2022, following the end of the local school season.

CLARIFICATIONS TO OUR PROPOSAL

ROWE has prepared the following clarifications while developing this proposal:

- The project will be funded using CDBG funding that has been designated for the city's use on this project, supplemented as needed with local funds. The city will not be using CDBG funds to pay for ROWE's services related to this contract.
- The Contractor will be able to close the streets to through traffic during construction, making provisions for local access during the majority of the construction period.

ROWE appreciates the opportunity to provide this proposal and is looking forward to assisting the City of Burton with this project.

Please contact me on my cell phone at (248) 318-1492 if you have any questions.

Sincerely,
 ROWE Professional Services Company

TERMS AND CONDITIONS

The Owner will designate a representative with the authority to provide direction, receive and review information, and make decisions regarding the project. Decisions and direction shall be provided in a timely manner, so as to not delay the project.

The Engineer will perform services in a timely manner, consistent with sound professional practice. The Engineer will strive to perform the services within the established schedule, if any. Services are considered to be complete when deliverables have been presented to the Owner.

The Owner will provide the Engineer with all available information pertinent to the site of the project and access to the project site.

The Engineer will assist the Owner in preparing applications and documents to secure approvals and permits. The Owner is responsible for payment of permit application fees and charges.

Services provided by the Engineer shall be performed with the care and skill normally exercised by other members of the profession practicing under similar conditions.

The Owner shall promptly notify the Engineer of defects or suspected defects in the work.

The Engineer's opinions of construction costs will be based upon experience and historical information.

The Engineer will be responsible for the safety precautions and programs of its employees only.

If the Engineer is reviewing work by contractors or others on behalf of the Owner, the Engineer may only recommend to the Owner that work which does not conform to the project requirements be rejected.

Payment for work completed shall be made within thirty days of invoicing. Unless otherwise provided, invoices will be submitted monthly as the work progresses.

In the event additional work is needed because of a change in scope or unforeseen conditions, the Engineer will submit a proposal defining the modified scope of work and any modifications to the schedule and fee for the Owner's approval.

This agreement may be terminated by either party with fourteen days written notice; however, the Engineer shall be paid for work completed prior to the date of termination.

All documents prepared by the Engineer in completing this work are considered the Engineer's property as instruments of service and are not intended for re-use by the Owner or others.

The Engineer is an independent contractor, responsible to the Owner for the results of this undertaking and is not an employee or agent of the Owner.

The Owner agrees to limit ROWE Professional Services Company's total liability to the Owner and any contractors on the project to the Engineer's fee of **\$55,300**

The Owner and Engineer each bind themselves and any partners, successors, and assigns of the other party to this agreement. Neither party will assign, sublet, or transfer their interest in this agreement without the consent of the other party.

The terms of this agreement shall be governed by the laws of the State of Michigan. In the event a provision of this agreement is rendered unlawful, the remaining terms and provisions shall remain in effect.

In performance of this work, the Engineer will comply with their policies regarding non-discrimination against employees on the basis of race, color, religion, national origin or ancestry, age or sex.

INTEROFFICE MEMORANDUM

To: Mayor Duane Haskins
From: Controller Jodi J. Holbrook
Date: September 30, 2021

Re: Memo of Explanation for
City Council Meeting of 10/04/2021

Mayor Haskins:

I am requesting that Council approve a budget amendment to add 2066 Federal Drug Law Enforcement Fund and make the changes as follows: Increase 2066-0000-390.0200 Federal Drug Law Enforcement Fund Balance – Restricted by \$3,740.22; Decrease 2065-0000-390.0000 State Drug Law Enforcement Fund Balance by \$3,740.22, Increase 2066-0000-955.0000 Drug Law Enforcement Related Expenses by \$1,000.00, Increase 2066-0000-678.0001 Drug Forfeiture Cleared Revenue by \$2,000.00.

This budget amendment is to add Fund 2066 Federal Drug Law Enforcement Fund to segregate the State and Federal Drug Law Enforcement Funds as required. The previously collected Federal Funds of \$3,740.22 will be moved from Fund 2065 and that will now become the State Federal Drug Law Enforcement Fund. This is also to set up expected expenses of \$1,000.00 and expected revenue of \$2,000.00.

DISPLAYSALES

GRAPHIC ART SERVICE:

Display Sales encourages customers to provide vector-based artwork so that the process of proofing and printing may proceed quickly without interruption. Otherwise, if artwork is unusable, graphic art services will be billed at \$125 per hour to correct unusable art, redraw non-formatted art, or design and create custom imagery (per customer request). Alterations are \$50 per hour. You will be contacted by one of our Graphic Arts team members and provided a proof. Send your artwork to: artwork@displaysales.com

PRODUCTION TIMEFRAMES:

Normal production time is 14 working days AFTER art proof is approved and down payment is received. Upon approval, rush requests will include a \$50 fee.

TERMS:

- 50% down payment on orders for new customers.
- Check, non-cancellable purchase order, or credit card accepted for down payment.
- Balance due Net 20 days after final invoice.
- F.O.B. Display Sales - shipping & handling charges based on destination and size of order.
- Financing available for orders greater than \$5,000.

WARRANTIES for DECORATIONS:

- Pro-rated - One SEASON equals (3) months.
- All invoices for products must be paid in full before warranty is in effect. Decorations protected by this warranty are intended for temporary, seasonal display.
- 6 SEASONS - Protection on steel frames and pole installation hardware.
- 3 SEASONS - Protection on decoration components: Pine and Metallic garlands (except white), electrical wiring harnesses, sockets, and plugs. Also included: heavy insulated 12-gauge and 14-gauge electrical wiring, and 16-gauge SureLock™ Wire sets.
- 1 SEASON - Powder coating.

NOT COVERED BY WARRANTY:

Damage or rusting caused by ice load; airborne road salt and/or other corrosives; bulb breakages/burnout/discoloring/fading; damage from electrical shorts or power surges; miniature light sets; rope light product; damage in transit; inappropriate handling/storage/installation; and products that are installed too low on light poles that lend themselves to vandalism and being hit by trucks. Any acts of Nature. Due to exposure to sunlight, all products are susceptible to some fading. White garland is not covered. Powder coating does not prevent rust but will diminish the rate of rust visibility.

All REPAIR and/or REPLACEMENT must be pre-approved by Display Sales customer service representative.

WARRANTIES for BANNERS:

Against ripping and/or tearing under normal conditions of use and service.

- VINYL Banners- 18 oz two-ply – 100% NOT pro-rated – 1 year after purchase.
- POLY CANVAS Banners – 100% NOT pro-rated – 1 year after purchase.
- WEATHERGUARD Banners – 100% NOT pro-rated for 3 years after purchase.
- BRACKET SYSTEMS - 100% NOT pro-rated for 5 years under normal conditions of use and service.

NOT COVERED BY WARRANTY:

Any banner greater than 30" x 80" in size or any banner not installed using a top and bottom rod pocket. Banners installed on spring-loaded brackets. Damage from acts of nature, vandalism, accidents, other hardware on pole, road vehicles, tree branches. Cracking of substrate due to poor installation. Failure to install bracket systems and banners according to Display Sales installation instructions or failure to store banners properly will void this warranty.

All REPAIR and/or REPLACEMENT must be pre-approved by a Display Sales customer service representative.

WARRANTY RESPONSIBILITY:

Customer is responsible for the cost of removal, reinstallation and shipping incurred for merchandise being repaired or replaced. Customer participation is required to troubleshoot product issues, which will provide a timely resolution.

SHIPPING & FREIGHT RESPONSIBILITY:

All product is shipped via FOB origin Display Sales. Customer takes ownership of the product once it is picked up by the carrier and is responsible for it at that point. UPS, Fed EX, and LTL trucking companies are common carriers. Customer is responsible for counting the number of boxes delivered and inspecting the boxes for any visible damage. For LTL shipments, customer must sign the delivery receipt as "damaged" or "missing boxes" if this is the case. Display Sales is ineligible to file a freight claim on your behalf if this is not noted on the delivery receipt. Customer will then incur all product replacement costs. Freight charges after delivery may occur for additional services rendered per customer request. For example, a call ahead of delivery, scheduling a delivery appointment, driver unloading the truck, residential delivery, change of delivery address, delivery inside an office, lift gate, and congestion fee based on limited access to delivery address. Customer agrees to pay all additional charges requested.

RETURN POLICY:

Returns are accepted within 30 days of purchase providing a proper Return Goods Authorization (RGA) number is first obtained. Please call 1-800-328-6195 to obtain your RGA number. Shipping charges are not refundable on orders that have been shipped. Items must be in their original condition and original packaging. No returns will be accepted, nor credit given for items not in their original condition. Restocking fees up to 25% may apply to items returned.

SHIPPING & FREIGHT RESPONSIBILITY:

FOR ALL SMALL PACKAGE DELIVERIES (UPS, FEDEX, USPS, ETC): All shipments MUST be inspected at the time of delivery. The customer has 48 hours from the time of delivery to notify Display Sales of any shortage or damage to the order. After 48 hours it will be at the discretion of Display Sales to decide how to proceed.

FOR LTL/TRUCKLOAD DELIVERIES: Any damage or visible loss to your shipment MUST be noted on the delivery receipt (signed by the customer) at the time of delivery. In the event of loss or damage this must be done to file a claim. Display Sales is ineligible to file a claim on behalf of the customer if this is not done and the customer will be responsible for all replacement and/or repair costs.

Display Sales is not liable for shipments lost, delayed, or damaged in transit. Claims be filed by the purchaser within 10 days to Transit Company. Purchaser is responsible for reviewing merchandise upon receipt to verify order and condition.

RETURN POLICY:

Returns are accepted within 30 days of delivery (excluding shipping charges). The customer must contact Display Sales for a Return Merchandise Authorization (RMA) number before sending back the items. The customer is responsible for returning the merchandise and all related shipping costs. A restocking fee may apply, up to 25% of the product cost. If there is an issue with the shipment (other than loss or damage) the customer must contact Display Sales within 30 days of receiving the shipment to resolve the issue.

Returns are NOT accepted for custom or modified merchandise.

WARRANTIES for BANNERS & DECORATIONS:

Display Sales stands behind our products, however, on an occasion an issue may arise with a product. Please contact your sales representative at 800-328-6195 to discuss the issue and to see the details of warranty coverage.

Pictures of the product will be requested before we can fully determine the issue and attempt to resolve.

Customer is responsible for the cost of removal, reinstallation and shipping incurred for merchandise being repaired or replaced. Customer participation is required to troubleshoot product issues, which will provide a timely resolution.

All issues must be pre-approved by Display Sales for repairs or replacement.
