GENERAL COMMITTEE DISCUSSION:

A Citizens Committee will be formed to explore the possibility of a charter review and new revenue sources for the City of Burton. The subcommittee suggested that an ad be placed in The Flint Journal to recruit residents for the new citizens committee. The ad will be placed on three separate dates, twice in the Burton News and once in the legal section of The Flint Journal. The deadline for applicants to submit a letter of intent will be July 31, 2004. The committee hoped the notice would spark some interest on this topic. Applicants should be a registered voter of the City of Burton and provide their name, address and telephone number with their submittal. Applicants should mail their letters of intent to the Clerk's Office. The Clerk will place the notice in The Flint Journal and provide Council President Danny Wells with a copy of all applications. Once the Citizens Committee is formed the subcommittee will be dissolved.
