ATTENDANCE: 24

The Meeting was called to order by Don Becker, President at 12:45 P.M.

ANNOUNCEMENTS:

Mr. Becker said the July 1st Meeting will be held at Crossroads Village. Everyone will be receiving a letter or notice in the mail and this will be your entrance into the Park. You may take as many people as you like. You can buy your own lunch and we will meet at the new building at 12:00 Noon.

MTA will be held on Thursday, June 18, 1992 at Flushing Township.

NEW BUSINESS:

Doris Carpenter spoke on the collection of partial payments. She reported that Brad Becker, Treasurer from the City of Burton, gave a handout and we do have to accept a partial payment.

Carl Lippmann said there is an addition to this documents that says we don't have to collect a partial payment, depending on our agreement.

Doris Carpenter said the computer is on the old system through the summer. The checks will be ready on June 22nd for all Treasurer's to pick up.

Jackie Hamilton said there will be a Governmental Clerk's Meeting on Thursday, June 11, 1992 at 10:00 a.m. at Thetford Township with a salad luncheon to follow.

Mr. Becker said today's speak is Gail Lesser who is with "Paws for a Cause".

GUEST SPEAKER: Gail Lesser, Joanne Smith and daughter, Carrie and her dog, "Risky Business."

Gail Lesser thanked everyone for all their support and caring for such a worthwhile cause. She said there were many people instrumental in helping to get Risky Business for Carrie. Risky is a certified service dog in home use only. When Paws for a Cause went to evaluate Carrie for a dog, there was some concern about he being so young and spoiling the dog instead of being stern while training the dog. She is a wonderful trainer. Carrie and Risky will be in several magazine articles.

Ms. Lesser presented a video of Carrie and Risky and it showed many of the things Risky helps Carrie with on a daily basis.

Carrie and Risky gave a demonstration of how they work together each day.

Ollie Karlstrom, Attorney for the Bishop Airport Authority, spoke concerning the placement of the millage on either the summer or winter tax rolls. He said the statute allows for the millage on either tax roll, but the Airport Authority would like to place this on the summer taxes. Discussion followed concerning this issue and there were no objections as long as the Treasurer's could collect fees due them.

Mr. Becker introduced Ella Yjanntis who is running for County Treasurer. Mrs. Yjanntis said she has been in the banking business for the past 18 year and gave a brief history of her background.
