GUEST SPEAKERS: Jim Bassett, Director of Parks and Recreation and
Janet Weaver, Public Information Officer

Mr. Bassett said the Parks and Recreation Commission looks forward to this opportunity to share Crossroads Village with this group. We rely on tourism and people from Genesee County to support this program.

Janet Weaver stated that coming to the Clerks/Treasurers Meetings in December has almost become a tradition. She said they would be presenting a different type program this year. Crossroads Village is in its eighth year, starting in 1984 with approximately 40,000 lights. This year there are over 175,000 lights. About 52,000 people came through the Village last year. We think our fame is spreading as we currently have reservations through 1993. This is a positive thing for Genesee County. This year we have an animated steam tractor and a 15 foot jack in the box. There is a santa hot-air balloon and live deer in the Village. We have also added an extra day to the schedule. We will be open through December 30, 1991. People are the ones who make the Village unique. We have a special person, Margaret Smith, also known as Jenny Genesee, who will present a skit to you today about Crossroads Village.

Julie Gust of Standard Federal, brought a variety basket and after a drawing it was presented to Corey Alexander of Atlas Township.

Mr. Becker adjourned the meeting at 1:15 P.M.

Respectfully Submitted,

Cheryl M. Ladd, CMC
