GUEST SPEAKERS

Jim Bassett, Director of Genesee County Parks and Recreation, explained the Parks and Recreation Department has been on a roller coaster financially, over the last few years. Jan Weaver, staff members, will give a brief talk on the village and show a video taken last year. This groups reaction was very positive.

Janet Weaver showed a video presentation of Crossroads Village taken in 1989. She explained this is the seventh year for the program and it seems to get better every year. The first year there were about 40,000 lights and this year the unofficial count of the lights are about 140,000. There have been 200 copies of the video sent all over the country, and as a result, people are coming from all over the U.S. and Canada.

The Village will be open until December 30th from 3:30 p.m. until 9:30 p.m. There is a village pavilion for the public to come to get refreshments and warm up and there are also buffet dinners available. The dinners cost \$7.50 for adults and \$3.75 for children.

Mr. Becker thanked Mr. Bassett and Ms Weaver for their presentation and for the tickets given to those present at the meeting to visit Crossroads Village.

Mr. Becker adjourned the meeting at 1:40 P.M.
