Dear Sir or Madam:

Please be advised, because of the inactivity of your property (i.e., expiration of building permit, fire damage, condition of building), the dwelling may now be referred for placement on the City of Burton demolition list.

The purpose of the City of Burton demolition program is to get buildings that are a danger or nuisance either demolished or rehabbed to become "a productive member of society" once again. Vacant or rundown buildings cause blight and property values to lower not only of the property itself but also the properties surrounding it.

Please contact the building department within the next **10 days** to make arrangements for first the necessary inspection, then to get your building permit renewed, to obtain a building permit to rehab, or to get a demolition permit. Failure to do so by **September 17, 2015** will result in the City of Burton continuing demolition proceedings, which involves, but is not limited to, newspaper ads, title searches and complete cost of the demolition, of which all costs will be billed to the property owner and placed on the city taxes if not paid.

Thank you for your prompt attention to this matter.

Sincerely,

Stuart Worthing,
Building Official
