ATTENTION APPLICANT:

In order to prove you are entitled to a variance, you should be prepared to show how your property meets the conditions listed:

1. The difficulty must be unique to your property and not generally shared by others in the same zoning district, and would constitute a hardship.
2. The variance will not adversely affect the public health, safety and welfare, or be contrary to the spirit and intent of the Ordinance.

The burden of demonstrating that the above conditions exist on your property falls on you, the applicant. The Zoning Board of Appeals will not argue or present your case for you.

## G. BOARD DISCUSSION
