1. Recap of Pizza with Santa

Mrs. Clous stated everything was fantastic and we had some wonderful volunteers. The earlier start time worked well and having the two events on the same day made for a great turn out.

Mrs. Dunsmore stated she noticed it worked well for people as they came in rushes instead of all at once. There wasn't a long line for anything, it was steady, and it made for good traffic flow.

Mr. Burge thanked our officers for helping with the event and stated the kids loved the goody bags with the coloring pages and the candy canes.

Mr. Craig thanked the custodians for all their hard work. There was never a trash bag overflowing or a spill that wasn't attended to immediately.

Mr. Burge stated it works great when we can get over there early, and they let us in. They were a big help.

Discussion about the wonderful students from the local schools that help with the Parks and Rec events we have and the Burton Race Series.

2. Recap of Christmas Tree Lighting

Mrs. Clous thanked Jeremy and the other firefighters for their hard work and dedication

to making this event happen.

Mrs. Dunsmore stated we were able to help 40 families instead of 20 because of their help with the food drive.

F. Committee Discussion and/or Action

1. Halloween Home Decorating Contest Recap

Mrs. Clous stated that there were a lot of great Halloween decorating contestants this year. The first place winner was at 2103 E. Bergin Ave. The second place winner was at 1482 E. Parkwood Ave. The third place winner was at 4292 Pebble Creek Blv. They were all wonderful, and we thank everyone that participated.

2. Trick or Treat Trail Recap

Mrs. Clous stated that it was a great turn out with lots of people and kids. We had the most vendors that we have ever had to pass out candy. Also, there was not very much candy left over after the event.

Mr. Burge stated the four hundred pumpkins were just the right amount.

Mr. Scharrer stated there were not a lot of leftovers on the cider and donuts. I think the

number of each item we purchased was close to the right amount needed for the event. Also, the Fire Station had the most trick-or-treaters that we have ever had.

3. Twas' the Lights Before Christmas
Holiday Home Decorating Contest

Mrs. Clous states this decorating contest is similar to the Halloween decorating contest, but Christmas themed. This year there are three themes for decorating. Number one is Judge's Choice for a \$50.00 visa gift card, where you can be fun and festive and eye-catching. Number two is Deck the Home for a \$100.00 visa gift card, where you can decorate your home in any way for Christmas. And number three is the grand prize of the 2025 City of Burton Clark W. Griswold Award for a \$200.00 visa gift card. Residents can register online at www.burtonmi.gov. or email me the registration form a.clous@burtonmi.gov.

4. Pizza with Santa- Saturday, December, 6, 2025- Bendle High School (11am-2pm)

Mrs. Dunsmore gave an update on the high school. There is an event the night before, so part of it will be locked up, but we can put everything inside the cafeteria overnight.

Discussion about the food, the timing of the event, and the timing to set everything up on Saturday morning.

Mr. Scharrer asked if everything was ready for the letters to Santa.

Mrs. Clous stated everything would be set-up for it.

5. Christmas Tree Lighting- Saturday, December 6, 2025-Fire Station 1 (Starts at 6pm , Tree lights at 7pm)

Mr. Scharrer stated the tree has been confirmed and should be showing up in the next couple of weeks. Santa is going to be arriving in a new way this year instead of on a fire truck.

Discussion about the food, the inside events that are going to happen, including the gingerbread house snowball fight, and times for setting up the lights.

Mr. Scharrer explained the issue for next year with the tree, because the tree farm will not have a tree for us anymore. I have already been working with the guy to try and set things up for the future, but tree farms don't keep trees until they get sixteen feet. They are usually cut down at eight feet, and we need a sixteen-foot-sized tree for our tree lighting.

Mr. Burge suggested contacting Consumers Energy when they cut down the big trees and possibly getting one of theirs.

Discussion about trees and how they are taken care of ensued.

G. The next regularly scheduled meeting will be held on Wednesday, December 10, 2025 @ 5:30 pm.

H. Meeting Adjournment

Meeting adjourned at 6:09pm.
